What true climate & societal leadership looks like!

Mike Bloomberg ✓

@MikeBloomberg

Follow

Americans are not walking away from the [#ParisAgreement](#). Just the opposite – we are forging ahead.

Bucking Trump, These Cities, States and Companies Commit to Paris Accord

An unnamed group, which includes 20 mayors, three governors, 80 university

Beijing and Europe
to fully implementing
after US President Donald
says his nation is pulling out,
angering leaders around the world

Catherine Wong in Beijing and
Zhenhua Lu in Washington

China and the European Union
ing climate change yesterday
Donald Trump
from the Paris

Innovative and Transformative LEADERSHIP

Go for bold 'tipping point' options!

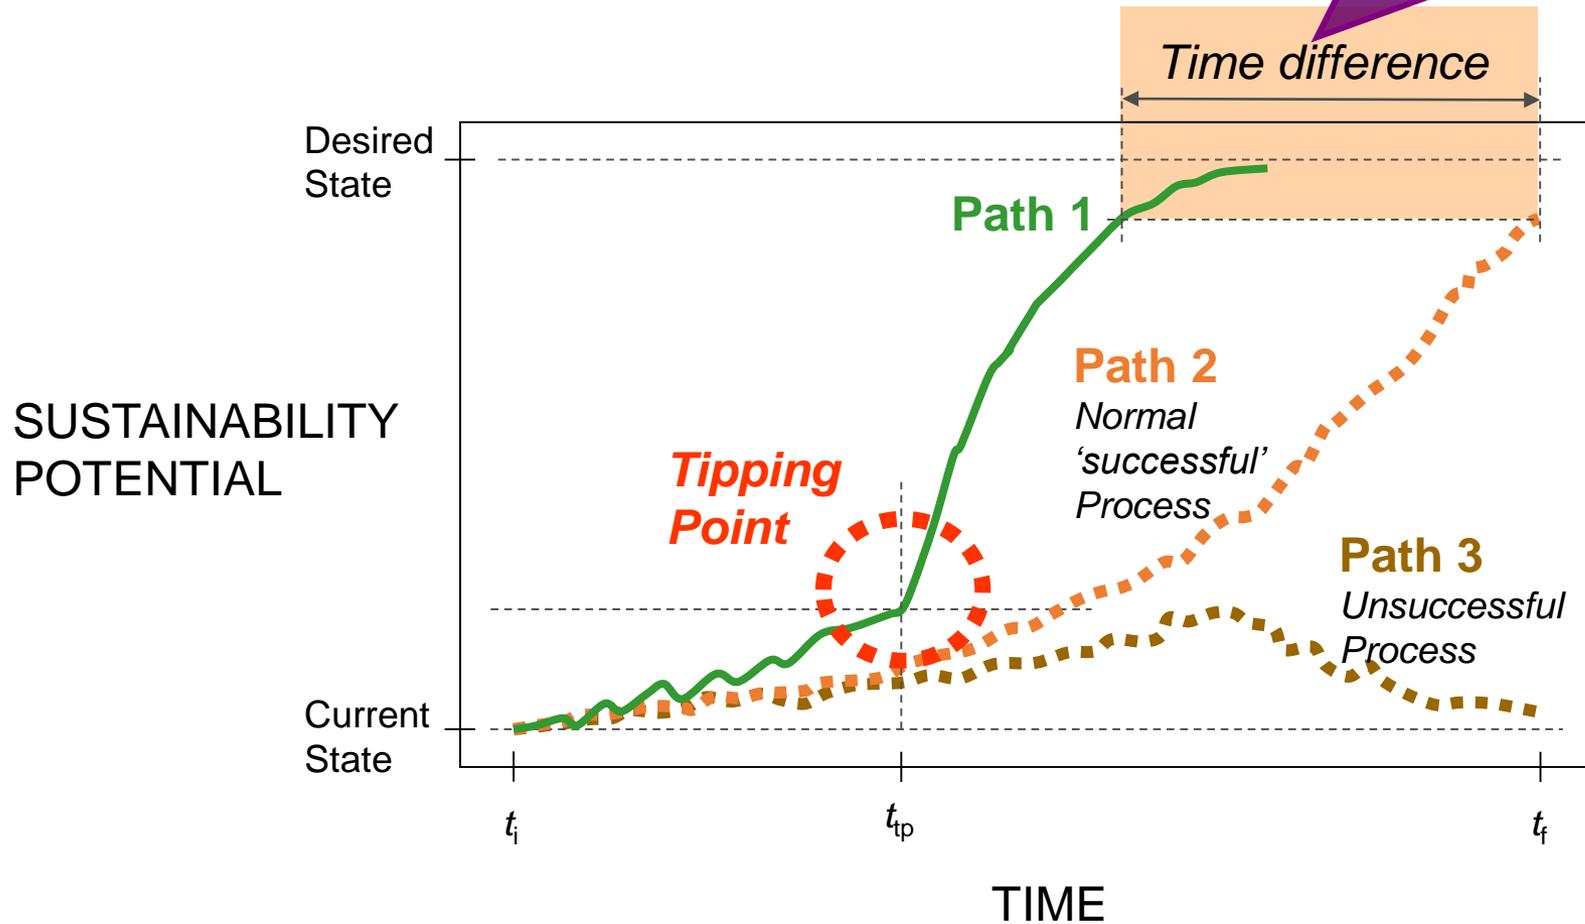

Transition Success or Failure?

Transition Success or Failure?

Maybe the difference between the 'big crunch' & human survival

Innovative and Transformative LEADERSHIP

Everyone has a role!

Innovative and Transformative LEADERSHIP

It's about Context and Vision!

Go for bold 'tipping point' options!

Everyone has a role!

Innovative and Transformative
LEADERSHIP is not optional
because...

Time *is the ultimate
non-renewable
resource!*
